PLEASE READ CAREFULLY

Have you been away from your studies for 12 months or more?

This form is to be completed by TESOL students who have obtained standing in the certificate program but who have not registered in TSL courses within the previous 12 months.

It is not possible to enrol in additional courses after the student has graduated in this program. Students who are on suspension or have been refused further registration are not eligible to reactivate their record.

Space in courses is limited and some courses fill on the first day of enrollment.
